Bedford Coyote Lottery Rules and Regulations

1. The lottery will run from September 1, 2023 to February 29, 2024.
2. Only coyotes killed by the applicant within the boundaries of Bedford County during this time frame are eligible. Applicant will be required to document the address (or general location if public land) where the coyote was killed. Only completely filled out applications will be deemed eligible.
3. Applicant must own the land, be the tenant of the land or have the written permission of the landowner upon which to hunt and kill any coyotes submitted to the lottery. If applicable, written permission must be presented for inspection when submitting a coyote for lottery entry.
4. All Virginia Game and Inland Fisheries rules and regulations must be followed.
5. The coyote carcass or intact head must be presented to Bedford Cooperative, 1053 Independence Blvd. during normal business hours. Trappers may remove the pelt before submission if desired, remove the head and freeze it [leave mouth open to access tongue]. The applicant will clip the tongue of the coyote in the presence of a Bedford Southern States employee. The applicant must fill out an application and entry form for each coyote submitted. Only complete applications will be considered eligible. The individual checking in the carcass or head is responsible for proper disposal.
6. There is no limit to the number of coyotes that an individual can enter in the lottery. However, a separate application and entry form is required for each coyote.
7. The exact date, time and location of the drawing will be announced closer to the end of the lottery period. You need not be present to win. There will be multiple lottery jackpot cash prizes. Although you may have multiple entries in the lottery, you can only win one prize. If your name is drawn a second time, it will be discarded and another ticket will be drawn.
8. The lottery committee reserves the right to inspect any and all coyotes, maintains the right to disqualify any participants in violation of rules and may request a polygraph test.
9. Any protest of the lottery must be made in writing to the lottery committee within three days of the drawing.
